# Welcome to Advance Nanomaterials 2026

We are delighted and privilege to welcome you to Advance Nanomaterials 2026. International Conference on Advanced Nanomaterials and Nanotechnology, to be held from December 07 & 08 2026 (In-Person) & December 09, 2026 (Virtual )at Venue – Hotel – The Oceanic Sportel Phuket, Thailand.

As one of the leading conferences in the field, Advance Nanomaterials 2026 will feature a comprehensive scientific program covering a wide range of key topics, including Nanomaterials Synthesis and Characterization, Functional Nanomaterials, Nanotechnology Applications, Energy Materials, Biomedical Nanomaterials, Environmental Nanotechnology, Catalytic Materials, Catalytic Mechanisms, Catalysis and Energy, Environmental Catalysis, Organometallic Chemistry, Electrocatalysis, and Chemical Reaction Engineering. Through insightful keynote sessions, interactive panel discussions, and practical workshops, attendees will gain valuable knowledge about emerging innovations and their transformative impact on science and society.

The conference aims to promote interdisciplinary collaboration by bringing together researchers, academicians, industry professionals, and innovators from around the world. It offers an excellent platform to exchange ideas, establish collaborations, and explore ground breaking solutions that will shape the future of nanomaterials and nanotechnology. Whether you are an established expert or an early-career researcher, Advance Nanomaterials 2026 provides a dynamic environment to learn, network, and contribute to advancements in the field.

Beyond the scientific sessions, participants will have the opportunity to experience the beauty of Phuket, Thailand, a world-renowned destination celebrated for its stunning beaches, vibrant culture, and warm hospitality. From exploring scenic islands and cultural landmarks to enjoying authentic Thai cuisine, Phuket offers a memorable experience for all attendees.

With its combination of scientific excellence, global networking opportunities, and the unique charm of The Oceanic Sportel, Phuket, Thailand, Advance Nanomaterials 2026 promises to be both professionally enriching and personally unforgettable.

We sincerely thank you for being part of Advance Nanomaterials 2026 and look forward to welcoming you to The Oceanic Sportel, Phuket, Thailand for an inspiring and successful event.

Welcome to Phuket, Thailand, and let's shape the future of Advance Nanomaterials together!

## Who should attend ?

Advance Nanomaterials 2026 welcomes researchers, scientists, academicians, professors, postdoctoral fellows, and PhD scholars interested in sharing research and connecting with global experts.

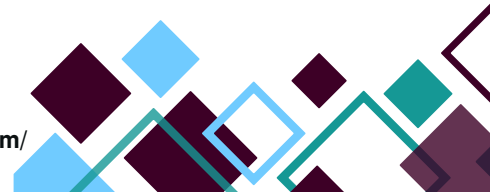

The conference is also ideal for industry professionals, R&D specialists, nanotechnology engineers, start-up founders, policymakers, and representatives from laboratories and research institutions seeking innovation, collaboration, and networking opportunities.

With expert talks, workshops, and panel discussions, Advance Nanomaterials 2026 provides a valuable platform for knowledge exchange and advancements in nanomaterials and nanotechnology.

## WHY TO ATTEND Advance Nanomaterials 2026?

- **Discover Breakthrough Research** – Stay updated on the latest developments in advanced nanomaterials, nanotechnology, and related scientific innovations.
- **Learn from Global Experts** – Gain valuable insights from distinguished keynote speakers, plenary presenters, and leading researchers in the field.
- **Expand Your Professional Network** – Connect with scientists, academicians, industry leaders, and researchers from around the world.
- **Explore Emerging Technologies** – Discover cutting-edge tools, techniques, and applications in nanomaterials and nanotechnology.
- **Build Research Collaborations** – Identify opportunities for partnerships, joint projects, and interdisciplinary collaborations.
- **Participate in Interactive Sessions** – Engage in workshops, technical discussions, and practical learning experiences.
- **Gain a Global Perspective** – Exchange ideas with international delegates and learn about worldwide advancements in nanoscience.
- **Advance Your Career** – Enhance your academic profile, professional recognition, and future opportunities.
- **Industry & Start-up Exposure** – Learn how nanomaterials are transforming industries through innovative applications and entrepreneurial ventures.
- **Showcase Your Research** – Present your work through oral presentations, poster sessions, and paper submissions to a global audience.
- **Awards & Recognition** – Get recognized for outstanding research contributions and achievements.
- **Conference Proceedings & Abstract Book** – Access valuable published abstracts and conference materials for future reference.
- **Stay Ahead of Emerging Trends** – Gain insights into future directions and innovations in advanced nanomaterials and nanotechnology.
- **Experience Phuket, Thailand** – Explore the beauty, culture, and attractions of Phuket while attending the conference at The Oceanic Sportel.
- **Engage in Panel Discussions** – Participate in meaningful Q&A sessions and discussions with experts shaping the future of nanomaterials research.

## Scientific session highlights

- Nanomaterials and Nanotechnology
- Nanomaterials in Material Science
- Fundamentals and Properties of Nanomaterials
- Smart Material Science and Engineering
- Nanodevices and Nano sensors
- 2D Materials Beyond Graphene
- Nanocomposites & Nanostructured Polymers
- Nanomaterials for Electronics and Optoelectronics, Nanophotonic
- Nanomaterials for Biotechnology
- Nanomaterials in 3D Printing
- Nanotechnology in Photovoltaics
- Hybrid Nanomaterials & Nano mechanics
- Sustainability of Nanomaterials
- Nanotechnology in Aerospace and Defense
- Nano Particles and Nano-Enhanced Coatings
- Nanotechnology in Water Treatment
- Nanomaterials for Sensors and Actuators
- Nano Catalysis and Molecular Simulation
- Nanomaterials for Green Energy
- Nanoelectronics and Nanophotonic
- Biomedical Engineering, Nanobiotechnology & Smart Nanomaterials for
- Biomedical Applications
- Thermal Management Materials- Nanotechnology
- Nanomaterials in Advanced Batteries and Supercapacitors
- Computational & Quantum Nanotechnology
- Nanotechnology in Medicine
- Nanotech: In Other Fields
- Carbon Nanostructures and Graphene and Fullerenes
- Carbon-based Nanomaterials
- Materials Science and Engineering
- Polymer Nanotechnology
- Polymer Science & Nano Engineering
- Pharmaceutical Nanotechnology

## About Venue – The Oceanic Sportel, Phuket, Thailand

Phuket, Thailand is a world-renowned destination known for its stunning beaches, vibrant culture, and warm hospitality. From beautiful islands and scenic coastlines to attractions like Old Phuket Town and Big Buddha, Phuket offers a perfect blend of relaxation and exploration.

The Oceanic Sportel provides a modern and comfortable setting for Nanomaterials 2026, ensuring a memorable conference experience.

## Top Tourist Attractions in Phuket, Thailand

- Phi Phi Islands – Famous for crystal-clear waters, stunning cliffs, and beautiful beaches, perfect for island tours and snorkelling.
- Big Buddha – One of Phuket's most iconic landmarks, offering breath-taking panoramic views of the island.
- Patong Beach – A popular destination known for its lively atmosphere, nightlife, shopping, and water activities.
- Old Phuket Town – Explore colorful Sino-Portuguese architecture, local markets, cafes, and cultural heritage sites.
- Phang Nga Bay – Known for its dramatic limestone cliffs, caves, and the famous James Bond Island.
- Promthep Cape – A scenic viewpoint famous for spectacular sunset views over the Andaman Sea.
- Wat Chalong – Phuket's most important Buddhist temple, admired for its beautiful architecture and spiritual significance.
- Kata Beach – A relaxing beach destination ideal for swimming, surfing, and family outings.
- Simon Cabaret Show – A popular entertainment attraction featuring vibrant performances and cultural shows.
- Phuket Elephant Sanctuary – A unique ethical experience where visitors can observe rescued elephants in a natural environment.

Type of Accommodations	Amount in Dollars
Saver Package A (Two Nights Accommodation)	\$999
Saver Package B (Three Nights Accommodation)	\$1199
Saver Package C (Four Nights Accommodation)	\$1399
Extra Night (Per Night)	\$249
Accompany (Extra Person)	\$349

**All Packages (A, B & C) include:**

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference

## Sponsorship

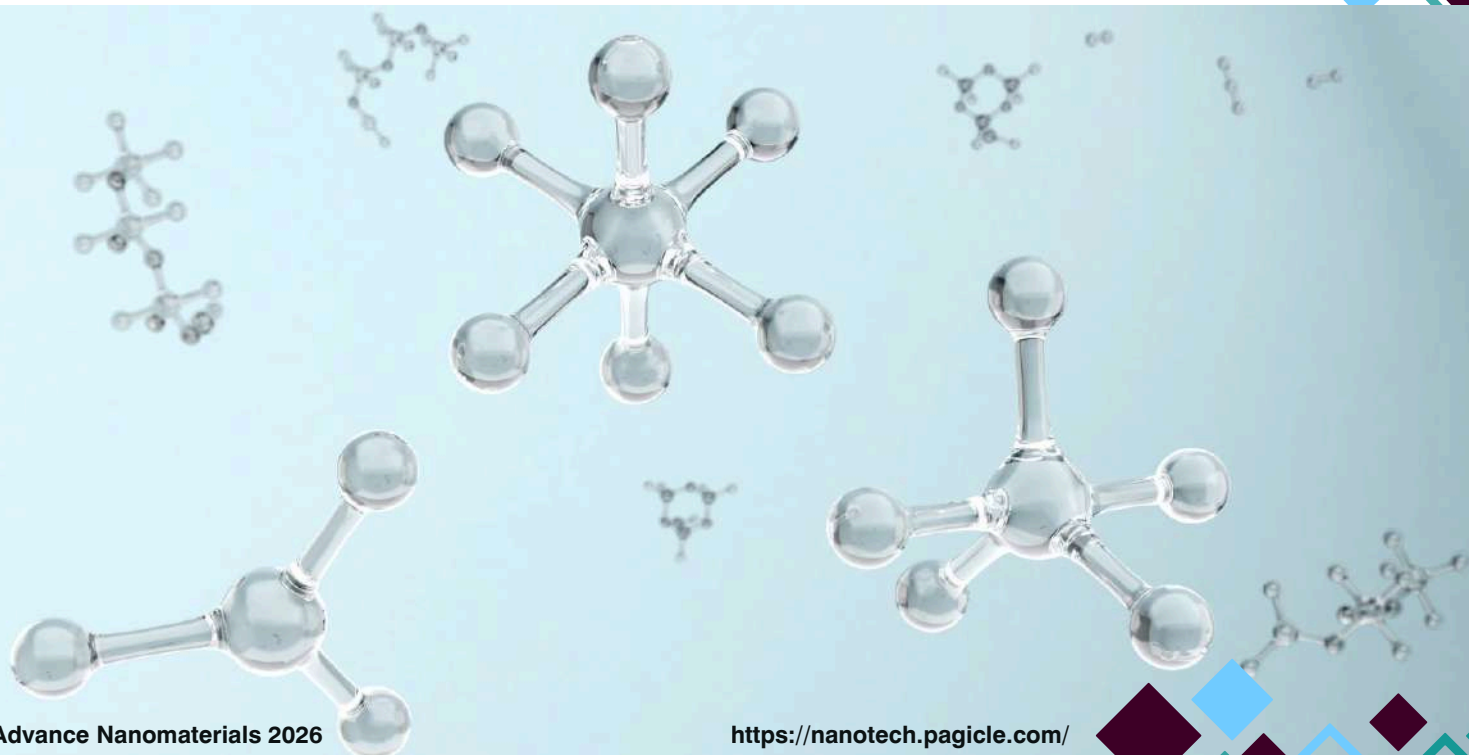

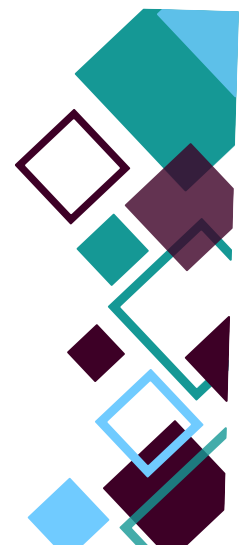

Advanced Nanomaterials 2026 is an exciting opportunity to showcase the new technology, the new products of your company, and/or the service your industry may offer to a broad international audience. Advanced Nanomaterials 2026 delivers over 100+ attendees from over 40 countries supporting the development and commercialization of new innovations in the field of Chemistry. As an exhibitor, you will access the corporate executives, researchers, engineers and commercialization leadership that rely on your products and services to develop these new technologies.

### SPONSORS BENEFITS

- Exhibition booth space of 3\*6 meters with priority to purchase exhibition space and choose booth location
- Two conference passes & two booth personnel passes
- Web listing with a link to your company website
- Publication of the exhibitor profile in the souvenir (two A4 color pages)
- Logo recognition in the scientific program, conference banner, and flyer
- Participation in the one-on-one partnering program
- Acknowledgement during the opening ceremony
- Speaker opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online promotion on all our social networking sites
- Three inserts provided by the sponsor in the Congress delegate bags

### EXHIBITORS BENEFITS

- Draped booth space of 3\*3 meters
- One conference passes & one booth personnel pass
- Web listing with link to your company website
- Publication of the exhibitor profile in the souvenir (1 A4 page)
- Logo recognition in the scientific program, Conference banner and flyer.
- One Presentation Slot about the organization.
- Advertisement Video on conference website

## Who can exhibit?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

## Why to Sponsor?

Sponsorship powerfully influences audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions. Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

### **Exhibitions allow you to advance all your marketing goals:**

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

## ABOUT PAGICLE Ltd.

Pagicle Ltd. is a company that organizes international online and physical conferences, seminars, and workshops to facilitate knowledge sharing and networking among scholars, students, researchers, and industry professionals. Its mission is to promote collaboration and make scientific research more accessible through an open-access platform. The company organizes events across various scientific and professional fields, such as healthcare, nursing, and material science.

### Company overview

Core business: Organizing scientific and academic conferences and events.

Mission: To facilitate the dissemination of research, promote interdisciplinary collaboration, and create a dynamic space for learning through high-quality events and an open-access platform.

Attendees: A mix of academicians, professors, students, researchers, and industrialists.

Services: Planning, organizing, and executing events, and providing a platform for sharing knowledge and making research accessible.

## BOOK MARK YOUR DATES
